

# A38 Lichfield to Toyota Island weekly e-bulletin w/c 28 August 2023

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

On weeknights, from 8pm to 6am, there will be full closures of the A38 northbound between Hilliard's Cross junction and Branston junction as we continue our A38 Fradley to Barton maintenance scheme. During these closures, we'll carry out safety barrier replacement, street lighting, drainage and other maintenance works. To maintain safety throughout, a reduced speed limit of 40mph will be in place along with speed enforcement.

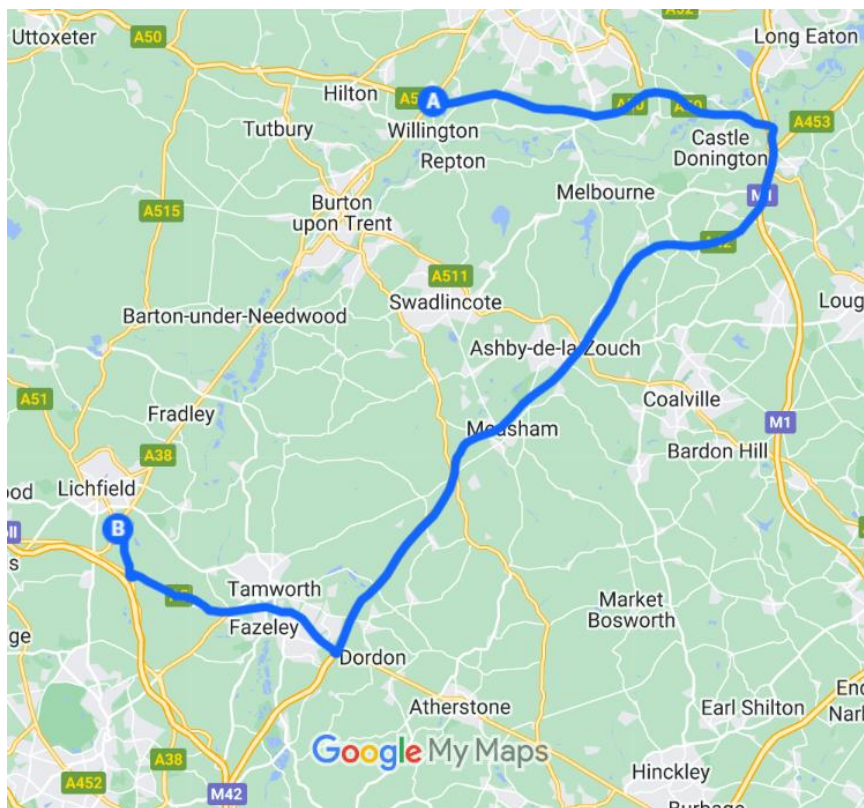

Please see the below diversion for these closures.

Until 16 September, there will be a full closure, 24/7, of the Rykneld Street and Burton Road service road at the Alrewas junction. During these closures, we'll carry out safety barrier replacement, street lighting, drainage and other maintenance works. Access to homes, frontages and emergency services vehicles will be maintained throughout the work. However, there may be times when access is delayed for safety reasons, but we'll make every effort to ensure any delays are kept to a minimum.

There will not be any full overnight closures of the A38 on Friday 25 August and Monday 28 August as there will be a bank holiday embargo in place.

Please plan ahead and allow additional time for your journey.

## A38 Fradley to Barton combined maintenance work strategic diversion

Remain on A50 to A38 Toyota Island.

**Southbound traffic** – traffic to take A50 eastbound from Toyota Island and continue to M1 junction 24a. Head south on M1 to junction 23a and merge on to M42/A42. Remain on M42/A42 until reaching M42 junction 10 and take the exit. At the roundabout, join A5 westbound to Weeford Interchange and then continue north on A38 to Swinfen Interchange.
