

Streethay Parish Council
Freedom of Information Policy in relation to the Publication Scheme

Introduction:

Under the Freedom of Information Act, Streethay Parish Council has a duty to adopt and maintain a Publication Scheme describing:

- The classes of information it publishes
- How and where such information is published (e.g. website, paper copy, etc.) and
- Whether or not a charge is made for such information

The purpose of the Streethay Parish Council Publication Scheme is to let everyone know what information will be automatically or routinely published by Streethay Parish Council, to ensure that a significant amount of information is available to the public, without the need for a specific request to be made. Other information is of course available from Streethay Parish Council by individual request, under the Freedom of Information Act and the Data Protection Act, however as many requests are for routine information, this Policy should assist the public in quickly and efficiently locating what they require.

If there is any information required that does not appear in our Publication Scheme or you have any comments or suggestions on how it can be improved, please contact:

Streethay Parish Council

Clerk: Mrs Clare Orme

Address: 110 New Road, Newhall, Swadlincote, Derbyshire DE11 0TH

Mobile : 0771 9599132

Obtaining Information

Much of the information listed in our Publication Scheme is supplied free of charge and can be downloaded from our website at www.streethayparishcouncil.gov.uk where this is the case, the appropriate link is shown. Where information is available only in paper format, this is stated within our Scheme below and can be viewed by appointment with the Streethay Parish Council Clerk.

Information not contained within the scheme and exemptions

Although the Freedom of Information Act creates a general right of access to information, it also sets out information that we do not have to make available for specific reasons, called exemptions. This is information that, if published, might prejudice the health, safety or security of Streethay Parish Council, our staff, systems, services or property.

If information is requested but is covered by an exemption, the Clerk to Streethay Parish Council will tell the applicant in writing why Streethay Parish Council has turned down the request, quoting any relevant exemptions.

If the information requested is not disclosed, the applicant can ask the Information Commissioner to review Streethay Parish Council's decision. The Information Commissioner's Office is the Government department that oversees and enforces FOI requests. They can be contacted by the following link: www.ico.gov.uk

Charges

Streethay Parish Council Fees and Charges are stated at the end of our Publications Scheme

Unless otherwise stated, publications listed in our Publication Scheme are usually supplied free of charge.

If administration costs exceed £450, to enable a Freedom of Information request to be met, then Streethay Parish Council is able to charge the requestor for the administration costs in meeting the request.

A charge may be made for photocopies.

Management of the Streethay Parish Council Publication Scheme

Streethay Parish Council is responsible for the adoption and maintenance of this Policy and our Publication Scheme.

Review of the Freedom of Information Policy and Publication Scheme

An annual review of this Policy will be completed in April/May each year.
